### **Celebrate Sanford, October 10-13, 2013**

**Saturday's Air Show cancelled, due to Federal Government shutdown**

Today begins a fun weekend of festivities; however, due to the Federal Government shutdown, which has the Federal Aviation Administration (FAA) on furlough, the permit required for the Saturday air show was unable to be issued, which in turn, unfortunately, forced the City to cancel Saturday's airshow portion of the Celebrate Sanford weekend. There's still plenty of fun to be had.

Kick-off the Celebrate Sanford weekend tonight with Alive After 5 in Downtown Sanford. On Friday, October 11, stop by the Historic Goldsboro community for a BBQ cook-off, gospel jubilee, food, crafts, motorcycle show and reenactments of Historic Goldsboro in 1891. On Friday night catch a performance of The Mystery of Edwin Drood, a wildly warm-hearted theatrical experience at the Wayne Densch Performing Arts Center in Downtown Sanford.

On Saturday, October 12, enjoy shopping at the Downtown Sidewalk Sale-a-bration, pick-up some fresh fruits and veggies at the Farmer's Market in Magnolia Square. "Set Sail" in Sanford on Lake Monroe, listen to great live music all day in FT. Mellon Park while strolling the vendor and craft booths. Make some time for the golf tournament too. Bring the kids and enjoy a family day at the park and for the car and motorcycle enthusiast, stop by the antique car and motorcycle displays.

You won't want to miss the legendary band, The Outlaws, performing live Saturday night in FT. Mellon Park.

Celebrate Sanford, many events for the entire family throughout this 4 day celebration. So much to do! So much to see! For a complete listing of events and times visit [www.celebratesanford.com](http://www.celebratesanford.com)
